Understanding the WONDERLIC Basic Skills Test looks to change that. Using this workbook, you will be able to prepare for the test at your own pace, allowing you to become acclimated to the sections and their contents. Learn the history of WONDERLIC; what the current test is comprised of; and how to break down the test and questions so that you can do your absolute best. The 3 practice tests included offer the opportunity to take the test, time yourself, and then figure out what sections or types of questions you have issues with. Use the Answer Keys to identify what you should focus on before taking the official test. The old saying, "practice makes perfect," may not be completely true, but practicing will prepare you to take the test and put you ahead of other co-workers, applicants, and job-seekers.
