Once Bitten, Twice Shy Jan 31 2023 I used to think that my life was boring. I resigned myself to the rut I was stuck in. Then my entire existence was turned upside down. In the last six months, I've learned things that would get me committed to an asylum if I repeated them. First, I was kidnapped by vampires. Yes, vampires. Sounds crazy, right? My best friend, Donna, became one of the fanged after that little adventure and hooked up with a hot, Scottish vampire named Conner. They're even planning a wedding. Secondly, I learned not all vampires are evil. In fact, some of them are downright sexy. Alexander Dimitriades has it all. He's tall, dark, and handsome and manages to give me tingles in all the right place and also make me laugh. Unfortunately, to be with him, I would have to give up my humanity and I like being human. Then, there's the fact that the whole drinking blood thing gives me the heebie jeebies. To make matters worse, there are plans in motion to change the place vampires hold in the human world. And I'm caught in the middle, between the vampire I'm falling in love with and a group that wants to create a vampire dictatorship, with humans as slaves. Now, all I want is my calm, normal life back. As my friend, Ricki, likes to say, "Be careful what you wish for because it might come and bite you on the ass." I hate it when she's right. *This work contains BDSM elements/themes, spanking, bondage, anal play, and a bossy, persistent Greek vampire.

Shapeshifters from across the country are convening in the Windy City, and as a gesture of peace, Master Vampire Ethan Sullivan has offered their leader a very special bodyguard: Merit. Merit is supposed to protect the Alpha, Gabriel Keene - and to spy for the vamps while she's at it. Oh, and luckily Ethan's offering some steamy, one-on-one combat training sessions to help her prepare for the mission. Merit has to accept the assignment, even though she knows that she'll probably regret it. And she's not wrong. Someone is gunning for Gabriel Keene, and Merit soon finds herself in the line of fire. She'll need all the help she can get to track down the would-be assassin, but everywhere she turns, there are rising tensions between supernaturals - not least between her and a certain green-eyed, centuries old master vampire.

Too late for Aidan. Jane's blood has infected Aidan and the wolf that lives within him is fighting for survival. Each battle...each dark test that their enemy puts in their path...each move slides Aidan closer to the edge. A darkness is growing inside of him. A darkness that is slowly consuming the man he's been... And leaving only the monster behind.
