Nigger fra Hvidovre Jul 22 2022

Michael Strunge Aug 23 2022 30 år efter sin tragisk tidlige død er Michael Strunge stadig en af landets mest populære digtere. For Michael Strunge flød digtningen og virkeligheden ofte sammen. Det var hans styrke og svaghed. Det blev hans skæbne. I dette smalle spor trådte mennesket Michael Strunge frem. Det samme gør hans myte. Biografien MICHAEL STRUNGE – DIGTNING OG VIRKELIGHED er fortællingen om digterens liv og værk baseret på hans egne udgivelser og det store kildemateriale af efterladte tekster, breve, artikler, tv- og radioudsendelser. Samt ikke mindst mange timers personlig samtale med de mennesker, der var tættest på Michael Strunge; familie, venner, kærester og kollegaer. Biografien er samtidig et billede af en tid: 70'ernes og 80'ernes danske samfunds- og kulturliv. Her optræder blandt andre kulturpersonligheder som Poul Borum, Søren Ulrik Thomsen, F.P. Jac, Dan Turèll, Klaus Rifbjerg og Pia

Tafdrup i en personlig og farverig fortælling om opvæksten i Hvidovre, de tidlige digterambitioner og den senere så stormombruste forfatterkarriere.

Alphabet Apr 26 2020 A startling and gorgeous work by Denmark's most admired poet finally available in English translation.

Kraks blaa bog Jul 10 2021

Bogen og værket Nov 13 2021 Denne bog handler om bøger og litteratur. Nærmere bestemt handler den om begrebet det litterære værk, som inden for litteraturvidenskaben er en kompleks størrelse. Formålet med denne bog er at udfordre feltet på dets manglende refleksion over dette vigtige begreb og nuancere definitionen af litteraturanalysens genstand. Når vi læser et litterært værk, sker det altid via et medie – oftest en bog trykt på papir – og denne fysiske genstand udgør en central del af vores læseoplevelse. Bøgerne er stadig vores primære adgang til litteraturen. Men til trods for denne dominerende position spiller bogen som medie kun en marginal rolle inden for litteraturvidenskaben, hvor materielle betragtninger sjældent indgår i fortolkningen. Det er et problem for fagets videnskabelighed og akribi. For hvad er det egentlig, vi analyserer, når vi giver os i kast med et litterært værk? Denne bog syntetiserer disciplinerne boghistorie og litteraturteori og præsenterer en række værktøjer til at indarbejde den boghistoriske refleksion i sine analyser. Bogens primære målgruppe er litteraturstuderende på universiteterne. Bogens eksempelmateriale består af dansk såvel som udenlandsk litteratur. Som demonstration af metodens anvendelighed analyseres Per Højholts publikumssucces Gittes monologer, der udkom i årene

1981-84.

The Birds and Other Plays May 27 2020 Books for All Kinds of Readers. ReadHowYouWant offers the widest selection of on-demand, accessible format editions on the market today. Each edition has been optimized for maximum readability, using our patent-pending conversion technology. We are partnering with leading publishers around the globe to create accessible editions of their titles. Our goal is to have accessible editions simultaneously released with publishers new books so that all readers can have access to the books they want to read - today. To find more books in your format visit www.readhowyouwant.com

Digtning fra 80'erne til 90'erne Oct 01 2020

50 år - 50 bøger Jun 08 2021 Jyllands-Postens kulturredaktion skabte serien af artikler - 50 år - 50 bøger - henover sommeren 2012. Nu kan de læses samlet. Et dommerpanel gennemgik lister over alt, hvad der er udkommet på dansk i perioden 1962-2011, og udvalgte på den baggrund bøger, som har været de vigtigste hvert år. Hver enkelt bog behandles i en journalistisk artikel, hvor vi beder forskellige mennekser vurdere det enkelte værk, og de steder, hvor det har været muligt, har vi naturligvis også talt med forfatteren selv.

Teufelswerk Dec 15 2021 Über tausend Skelette sollen auf einem Friedhof in Kopenhagen verlegt werden, um einer neuen U-Bahn-Station Platz zu machen. Als zwischen den Gräbern ein grausamer Mord geschieht, ist sich die Bevölkerung sicher, dass die gestörte Totenruhe damit zu tun hat. Kriminalhauptkommissar Alexander Damgaard versichert sich der Hilfe der jungen Anthropologin Josefine Jespersen, die an dem Exhumierungsprojekt beteiligt ist. Und Josefine entdeckt tatsächlich etwas: In den zertrümmerten Schädel des Opfers wurde ein umgedrehtes Kreuz geritzt. Eine makabere Signatur des Mörders oder ein Zeichen des Teufels?

Dependency Jan 22 2020 'Utterly, agonisingly compulsive ... a masterpiece' Liz Jensen, Guardian The final volume in The Copenhagen Trilogy, the searing portrait of a woman's journey through love, friendship, ambition and addiction, from one of Denmark's most celebrated twentieth-century writers Tove is only twenty, but she's already famous, a published poet and wife of a much older literary editor. Her path in life seems set, yet she has no idea of the struggles ahead - love affairs, wanted and unwanted pregnancies, artistic failure and destructive addiction. As the years go by, the central tension of Tove's life comes into painful focus: the terrible lure of dependency, in all its forms, and the possibility of living freely and fearlessly - as an artist on her own terms. The final volume in The Copenhagen Trilogy, and arguably Ditlevsen's masterpiece, Dependency is a dark and blisteringly honest account of addiction, and the way out.

Sebastian Dreaming Feb 02 2021 Sebastian Dreaming comprises the second book in James Reidel's Our Trakl series. Published posthumously in the original German in 1915, this is the second and last collection prepared by Trakl himself. Indeed, the Austrian poet may have tied his own fate to it. During his last days in a military hospital, Trakl had politely requested proofs of Sebastian Dreaming from his publisher and waited a week before overdosing on cocaine. He had been told once before that the war, which drove him into madness, had indefinitely postponed his masterpiece. Now the wait is over for Trakl's book to appear separately and in English. Until now translations of the poems from this collection have appeared in selections and complete volumes. Reidel has chosen to present the book individually, as Trakl wanted his book experienced. To achieve this, a certain verisimilitude in these English renderings has been achieved--even omitting the German facing texts is at work here--for which the translator has gone to great lengths, with an eye for seeing Trakl in his time and place, not only as an early modern poet but one whose strange and intriguing language and setting came from another century and still haunt us in ours.

Michael Strunge Jan 28 2023

Butterfly Valley Jan 04 2021 Butterfly Valley is a tour de force, exploring the major themes of life, love, death and art. The form is simple yet complex, a sonnet sequence building to a final sonnet of extraordinary power. Life, love, art, all are transient--like the butterfly, yet beautiful, even in their ephemerality. --The Dedalus Press.

Punk Art History Mar 30 2023 The punk movement of the 1970s to early 1980s is examined as an art movement through archive research, interviews, and art historical analysis. It is about pop, pain, poetry, presence, and about a 'no future' generation refusing to be the next artworld avant-garde, instead choosing to be the 'rear-guard'. Skov draws on personal interviews with punk art protagonists from London, New York, Amsterdam, Copenhagen, and Berlin, among others the members Die Tödliche Doris (The Deadly Doris), members of Værkstedet Værst (The Workshop Called Worst), Nina Sten-Knudsen, Marc Miller, Diana Ozon, Hugo Kaagman, as well as email correspondence with Jon Savage, Anna Banana, and Genesis Breyer P-Orridge. A large portion of the discussed materials stem from the protagonists' private

archives, while some very public—scandalous and spectacular—events are discussed, too, such as the Prostitution exhibition at the ICA in London in 1976 and Die Große Untergangsshow (The Grand Downfall Show) in West-Berlin in 1981. The examined materials cover almost all media: paintings, drawings, bricolages, collages, booklets, posters, zines, installations, sculptures, Super 8 films, documentation of performances and happenings, body art, street art. What emerges is how crucial the concept of history was in punk at that point in time. The punk movement's rejection of the tale of progress and prosperity, as it was being propagated on both sides of the iron curtain, evidently manifested itself in punk visual art too. Central to the book is the thesis that punks placed themselves as the rear-guards, not the avant-gardes, a statement which was in made by Danish punks in 1981, when they called themselves “ bagtopperne”. Behind the rear-guard watchword was the rejection of the inherent notion of progress that the avant-garde name brings with it; how could a "no future" movement want to lead the way? Although aimed at students and scholars of art, design, music and performance history, the subject as well as the author ' s accessible, occasionally playful style will no doubt draw readers with an interest in punk, music, and urban histories.

A Cultural History of the Avant-Garde in the Nordic Countries Since 1975 Dec 27 2022 The Cultural History of the Avant-Garde in the Nordic Countries Since 1975 brings the series of cultural histories of the avant-garde in the Nordic countries up to the present. It discusses revisions and continuations of historical practices since 1975.

Sidegader Apr 06 2021 Michael Strunge (1958-86) nåede at skrive 11 digtsamlinger. Sideløbende med dette lyriske forfatterskab offentliggjorde Strunge også anmeldelser, artikler, noveller og essays. SIDEGADER bringer et fyldigt udvalg af Strunges prosa fra årene 1978-86. Hovedparten af bogens bidrag er her for første gang offentliggjort i bogform.
