Guided by Wisdom, Joyner embarks on a journey from the battlefield where the hordes of Hell wreak havoc, to the Mountain of the Lord and eventually through the ranks of Heaven itself. In the mid-1990s, Rick Joyner received a prophetic vision of the ultimate clash between the forces of good and evil. These are the days of dreams, visions, and prophecy for the young and old, the sons and the daughters, the days that the great saints of old longed to see and in which we are privileged to live. Shadows of Things to Come Dec 15 2021 "One of the greatest sources of prophetic vision is found by better understanding our past," says Rick Joyner. "I studied Christ's interaction with the apostles as well as the life of the early church to be obedient to a heavenly vision in which I was told that I would not be able to accurately foresee the future until I understood the past." In this important book Joyner looks at the life and ministry of the apostles and of later generations so that Christians today can close the openings the enemy has used to gain entry and do his deadly work. He examines the successes and failures of Christians of the past so we can better understand how to be God's servants today.
