Against the backdrop of the global financial crisis and rising food, fuel, and commodity prices, addressing poverty and inequality in the Philippines remains a challenge. The proportion of

households living below the official poverty line has declined slowly and unevenly in the past four decades, and poverty reduction has been much slower than in neighboring countries such as the People's Republic of China, Indonesia, Thailand, and Viet Nam. Economic growth has gone through boom and bust cycles, and recent episodes of moderate economic expansion have had limited impact on the poor. Great inequality across income brackets, regions, and sectors, as well as unmanaged population growth, are considered some of the key factors constraining poverty reduction efforts. This publication analyzes the causes

of poverty and recommends ways to accelerate poverty reduction and achieve more inclusive growth. It also provides an overview of current government responses, strategies, and achievements in the fight against poverty and identifies and prioritizes future needs and interventions. The analysis is based on current literature and the latest available data, including the 2006 Family Income and Expenditure Survey. week-long summer internship where she'll get to learn the ins and outs of working for the most popular teen magazine. She heads to New York City, anxious to get away from her best friend, Summer, who is suddenly spending a lot of time with another girl from school and being secretive about it. Once there Elena meets her fellow Young Flyers: Harlow, who can get to the bottom of any story, Whitney, who has spot-on fashion sense, and Cailin, a social media star with thousands of followers and an eye for photography. As the four new friends explore the city that never sleeps, each girl brings a piece of home, and a few secrets, with them and

learns that no one's life is as glossy as it may appear. But with courage, teamwork, and lots of passion, there's no stopping a Flyer. In this shimmering work of fiction, Nicholas Christopher follows the remarkable life of Franklin Flyer—a restless young inventor named after the train on which he was born—through the tumultuous years of the Great Depression, into the Second World War. Raised by his suffragette aunt, at various times a vagabond and tycoon, Franklin travels across the U.S.A and around the globe, seeking adventure and enlightenment, charting his fate by pursuing the unexpected. He encounters a

glittering cast of characters: among them Rita Hayworth, Josephine Baker, OSS founder “Wild Bill” Donovan, and a host of political zealots, opportunists, and dreamers thrown together in a world on the brink of collapse. With each new invention—devices that help to revolutionize everything from early television to the Allies respond to the Axis powers—Franklin makes his mark. Gaining fame and fortune, he also suffers terrible heartbreak, and through numerous transformations discovers that a man’s own life is truly his most difficult, and rewarding, invention. A brisk, vivid blend of history and

imagination, Franklin Flyer brings to life an American hero as unforgettable as his times. From the Hardcover edition.
